# Responsible Investing

We are proud to announce that Vintage Investment Partners has become a signatory to the PRI, the United Nation's Principles for Responsible Investment, encouraging and supporting the uptake of responsible investment practices in the investment industry.

We believe in the importance of responsible investing in creating positive business growth. By becoming a signatory we are demonstrating our commitment to incorporating environmental, social and governance (ESG) factors in our investment decisions. Our objective is to help shape a more sustainable global tech system when building our portfolio.
